

Band Parent Volunteer Interest Form

The South Lyon East Band Boosters provide a great deal of funding for the marching band, concert bands, small ensembles, jazz band, and pit orchestra. There are many opportunities to contribute your time and talent to this organization. Please join our band parents as much as your time allows. We need everyone to help make this program run smoothly and efficiently.

Please check your interests and preferences so we know how you (and your spouse) would like to help us create our "well-oiled machine". You will always be contacted prior to any volunteer need; you are not committed to anything by checking off your interests! We need everyone to do SOMETHING!
