

ANTI-AGING | FIRMING | LIFTING

Daily Defense DD Cream SPF 50 PA++

For Flawless Coverage and Protection
with Parsol® MCX, Glycerin,
Micromerol™, Argireline® (Acetyl
Hexapeptide-3), Matrixyl™, Chronodyn™,
Moist 24™, Ferulic Acid and Stay C

Total Cellular Defense
and Protection

_Increase Moisture!

Up to 20% increase in 24 hours.

_Boosts skin vitality and firmness!

Triggers cellular metabolism to combat loss of elasticity and increase collagen synthesis.

_Reduces and prevents fine lines and wrinkles!

Patented peptides work to reduce the formation and appearance of premature aging and signs of photodamage

_Neutralises cellular DNA damage!

Assists in skin repair and strengthening as well as diminishing DNA oxidative damage, the leading cause of skin aging.

_Provides optimal sun protection!

SPF 50 PA++ prevents premature aging and visible signs of photodamage.

Anti-aging treatment, sun protection and long lasting moisture in a single application.

With high-efficacy ingredients that conceal imperfections and provide optimal moisturising, sun protection, sebum absorbing, anti-aging and skin rejuvenating benefits.

_Moisturise with Glycerin and Moist 24™

_Re-Energise with Chronodyn™ and Micromerol™

_Combat Aging with Matrixyl™, Ferulic Acid and Argireline™

_Boost Sun Protection SPF 50 PA++ with Titanium Dioxide, Zinc Oxide and Parsol® MCX

_Resist Sweat and Sebum with a long lasting, water resistant formula

innovative | natural | effective

Flawless Coverage

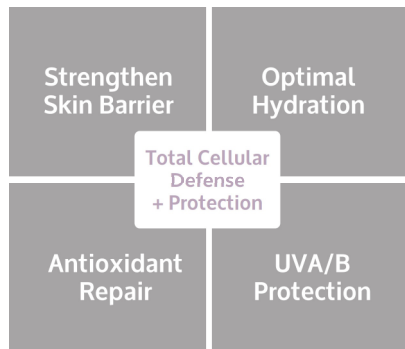

with high-efficacy ingredients to conceal imperfections and provide optimal moisturising, sun protection, sebum absorbing, anti-aging and skin rejuvenating benefits.

Shade 01 Porcelain
Fair/Medium Fair Skin

Shade 02 Beige
Medium/Medium Dark Skin

Available in:

Age Defying Benefits |

- _Moisturises and Hydrates
- _Re-Energises Fatigued Skin
- _Combats and Prevents Aging
- _Boosts Sun Protection
- _A 2-in-1 product that replaces the need for foundation and powder
- _Water Resistant Formula
- _Rich in Vital Antioxidants and Skin Firming Peptides
- _Protects and Repairs the Skin's Cellular Matrix

Daily Defense DD Cream

A multi-functional formula with a blend of peptides, anti-fatigue botanical extracts and anti-wrinkle actives that works to hydrate, revitalise and energise the skin while helping to conceal imperfections with a sweat and sebum resistant formula.

_Parsol® MCX | Ethylhexyl Methoxycinnamate

A chemical UVB filter that boosts everyday sun protection.

_Glycerin

An extremely hygroscopic humectant, Glycerin readily absorbs water from other sources such as the lower layers of skin (dermis), thereby increasing the amount of water in the surface layers of skin. As a skin-identical ingredient, it also helps maintain the outer barrier and prevent dryness and scaling.

_Micomerol™ | Pyrus Malus (Apple) Extract

An apple extract that helps to combat loss of elasticity and firmness in both chronologically-aged and photo-aged skin by inhibiting elastase (a proteolytic enzyme involved in the degradation of extracellular matrix) and protecting the elastic network.

_Argireline® | Acetyl Hexapeptide-3

Argireline is a unique peptide that reduces the degree of existing facial wrinkles by inhibiting muscle contraction and has been demonstrated effective against their development by reducing the release of catecholamines (the overproduction of which is known to induce the formation of wrinkles and fine lines in the skin).

_Matrixyl™ | Palmitoyl Pentapeptide-4

A peptide that consists of five amino acids linked together attached to a fatty acid to enhance oil solubility for better skin penetration. It is structurally related to the precursor of collagen type I (a.k.a. procollagen type I) and works to help stimulate the synthesis of the key constituents of the skin matrix: collagen, elastin and glucosaminoglycans for anti-aging and skin rejuvenating properties.

_Chronodyn™ | Euglena Gracilis Extract

A chronobiological cell energiser extracted from Euglena Gracilis that triggers cell metabolism and microcirculation, boosting skin vitality, redefining facial contours and softening fine lines and wrinkles.

_Moist 24™ | Imperata Cylindrica (Cogon Grass) Root

A hydroglycolic extract of Imperata Cylindrica (Cogon Grass) Root that optimizes and reinforces collagen synthesis and moisture absorption in the skin.

_Ferulic Acid

A potent antioxidant and naturally occurring phenolic compound found primarily in plant cell walls. Antioxidants are chemicals that protect cells by neutralizing external forces (such as damage from the sun, pollution, wind and temperature) and internal factors (such as emotions, metabolism) and assist in skin repair and the strengthening of blood vessels as well as diminishing DNA oxidative damage, the leading cause of skin aging.

Directions

Apply to cleansed, toned and moisturised skin. Dispense product, dot or lightly pat into the skin and then blend in with fingers. Set with powder, if desired. To remove, cleanse off thoroughly with Mild Cleansing Water prior to your recommended cleanser.

Ingredients

Aqua - Titanium Dioxide (and) Talc (and) Kaolin (and) Zinc Oxide - Titanium Dioxide (And) Isopropyl Titanium Triisostearate - Caprylyl Methicone - Ethylhexyl Methoxycinnamate - Cyclotetrasiloxane - Glycerin - Lauryl PEG-10 Tris (Trimethylsiloxy) Silylethyl Dimethicone - Mica (and) Titanium Dioxide (and) Iron Oxide - Trimethylsiloxy Silicate (and) Polypropyl Silsesquioxane - Butylene Glycol (and) Pyrus Malus (Apple) Extract - Aqua (and) Acetyl Hexapeptide-3 - Methylparaben (and) Propylparaben - Phenoxyethanol - Iron Oxide (CI 77492) - Euglena Gracilis Extract (and) Glycerin - Imperata Cylindrica (Root) Extract (and) Aqua (and) Glycerin (and) PEG 8 (and) Carbomer - Ferulic Acid - Sodium Chloride - Silica Silylate - Sodium Citrate - Fragrance.
