

1 Beyond QuadDDR Pro™

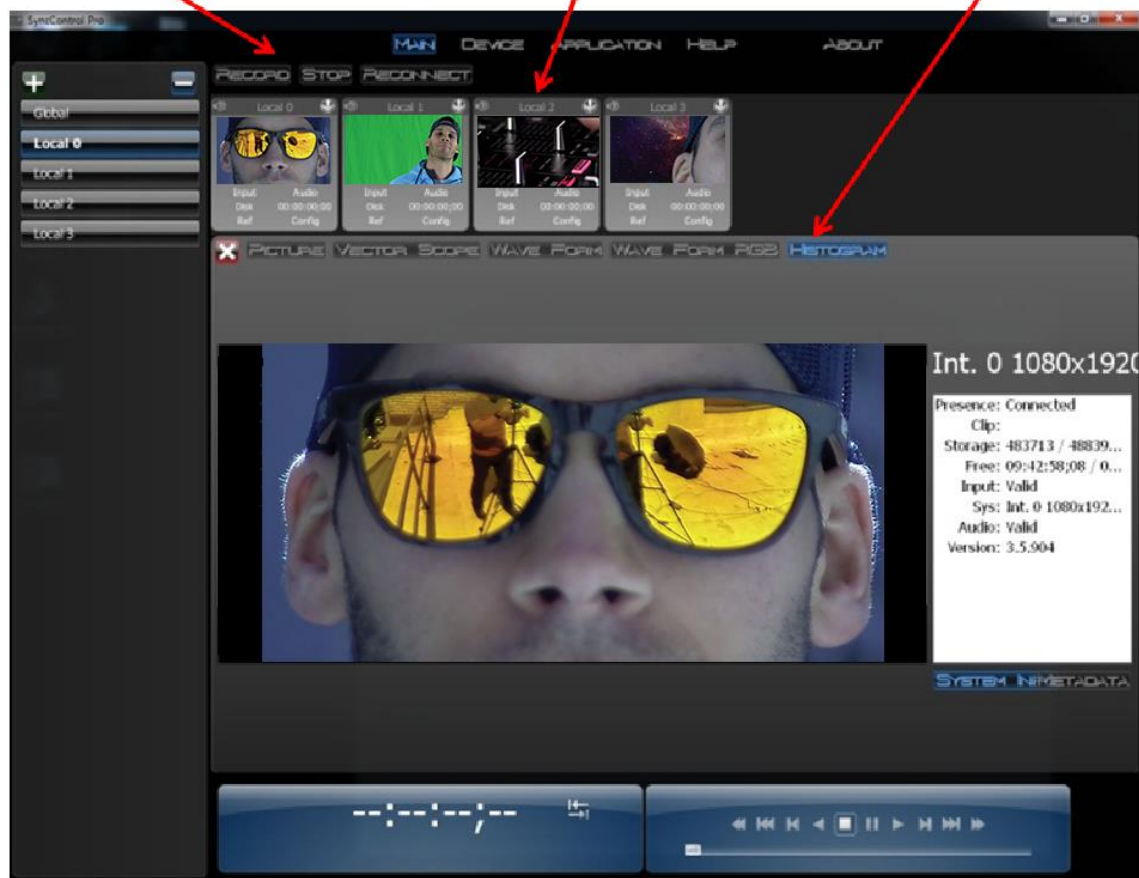

Quad HD Direct-to-Disk Recorder

For Analog and Digital Tape Recording to LTO-5/6 LTFS Tape

The **1 Beyond™** Quad DDR Pro. The Wrangler Rack Quad DDR is unrivaled — the first and only cost effective Quad Digital Direct to Disk recorder solution available today. And this 4U rack mount powerhouse not only delivers short and long record capability (up to 40 hours), it provides real-time confidence monitoring of all 4 SDI inputs complete with signal analysis.

With the convenience of a single start record button (note menu "Record" top of screen shot below), all recorders start simultaneously in sync (e.g. for event recording). Any of the 4 SDI inputs can be selected and viewed in a larger view along with a choice of signal analysis tools.

1 Click Record - Stop **4 Independent Record-Stop**
4 Confidence Monitors **4 Signal Analysis Tools**

The 1 Beyond Quad DDR Pro delivers instantly viewable and editable file based results. There is even a built-in Archive to LTO-6 Tape using the new universal LTF5 file standard viewable on PC, Mac or Linux. At the end of each record the internal disk buffer is automatically transferred to tape. Add the flexibility of recording to any of 20+ formats and you have a unique QuadDDR that is faster and more efficient than any other DDR at any other price.
