SUBJECT: Selection of Chair and Vice Chair and Appointment of Secretary for Operations

Board

June 7, 2017 DATE:

Recommendations

a) Selection of Board Chair and Vice Chair who shall be a seated member of the Board;

 Appoint Laurel Gazza, Senior Board Clerk from the County of Santa Cruz, to serve as interim Board Secretary until a permanent Secretary is identified.

Background

Sections 3.9.1 through 3.9.4 of the Joint Exercise of Powers Agreement creating the Monterey Bay Community Power Authority provides that the Operations Board shall select, from among themselves, a Chair, who shall be the presiding officer of all Operations Board meetings, and a Vice Chair, who shall serve in the absence of the Chair. The term of office of the Chair and Vice Chair shall continue for one year, but there shall be no limit on the number of terms held by either the Chair or Vice Chair.

In addition, the Board shall appoint a Secretary, who may serve both the Operations and Policy Boards and shall be responsible for taking and keeping attendance records and minutes of each Board meeting and other official records of the Authority. The secretary need not be a seated member of the Board. As a reminder, the Policy Board (not the Operations Board) shall appoint a qualified person to act as the Treasurer and a qualified person to act as the Auditor of the Authority.

Analysis and Discussion

At the joint Policy/Operations Board meeting on May 3rd, the Boards established a selfnomination process for interested officer candidates. The deadline for nominations was May 17 and the Operations Board received one nomination for Chair from Rene Mendez, City Manager of the City of Gonzales. Please see Mr. Mendez's letter attached to this staff report. There were no nominations for Vice Chair; thus, the Board can either nominate and vote on a Vice Chair from the floor at its meeting on June 7th or extend the deadline for self-nominations for the Vice Chair position.

The MBCP Joint Powers Agreement specifies the appointment of the Secretary who need not be a member of the Board and may serve as Secretary to both Boards. Staff is recommending the appointment of Laurel Gazza, Senior Board Clerk at the County of Santa Cruz, to serve as interim Secretary until such time that MBCP hires staff appropriate for this role.

Fiscal Impact

None, if all positions are filled by MBCP Board members or designated staff. If the Secretary position is filled by an outside contractor, then some additional costs, as yet undetermined, will be incurred.

RE: MBCP Operations Board: Chair

Dear Carol:

Scott Funk Councilmember

Please accept this short letter of interest for the position of Chair of the Operations Board for the Monterey Bay Community Power Agency.

Jose G. Lopez Councilmember

I am interested in serving as Chair not only because I have a personal interest in helping develop and fulfilling the potential of MBCP, but I can unequivocally state that the City of Gonzales has a proven track record of sustainability and stewardship. Examples include, but are not limited to:

Robert Bonincontri Councilmember

1. Being one of the first Cities in the Tri-County area to adopt a Climate Action Plan; and

René L. Mendez City Manager

- 2. Establishing the award winning Gonzales Grows Green Initiative (G3) that among many things, resulted in (a) the creation of an Environmental Leadership Academy with our School District; (b) solarizing all the City facilities; and (c) the development of a proactive recycling and diversion program with our business and school; and
- 3. Working on an innovative partnership with Monterey County and the private sector to acquire the property and construct a Wind Turbine, utilized by Taylor Farms to help power their facility, and are currently working on a second Wind Turbine for Mann Packing; and
- 4. More recently being accepted by the Institute of Local Government to participate in the Beacon Program.

Finally, the City of Gonzales has a very clear interest in MBCP, which is illustrated by our willingness to step forward and represent the Cities of South Monterey County, and the belief clearly articulated by staff and the City Council of the potential benefits that MBCP can not only bring to our region but more importantly, to people that live in our communities.

Respectfully Submitted,

Rene L. Mendez City Manager

Gonzales will continue to be a safe, clean, family-friendly community, diverse in heritage, and committed to working collaboratively to preserve and retain its small town charm

MBCP Administrative/Organizational Updates SUBJECT:

DATE: June 7, 2017

Recommendation

Receive updates and provide direction and feedback as needed.

Background

Staff will provide regular updates regarding on-going activities in the areas of Agency organizational development, administration and CCE program start-up.

Analysis and Discussion

A) Banking and Credit Update: On May, 3, 2017, the MBCP Policy and Operations Boards of Directors accepted a report and authorized next steps for establishing credit and banking services with River City Bank (RCB). A Finance Subcommittee including representatives from the counties of Santa Cruz, Monterey, and San Benito met on May 24th to begin review of the necessary documents and timeline required for Agency start-up funding. RCB has indicated that due to San Benito County not having a credit rating, RCB will limit their share of the guaranty to 10% of the total (i.e., capped at \$300,000 plus any enforcement costs). The County of Santa Cruz and County of Monterey have indicated a willingness to equally cover the guaranty for San Benito County for the amount over 10% or \$300,000. Discussions are ongoing.

The following presents a timeline of the key steps with a target of mid-August to have banking services in place and credit available to MBCP. The final loan agreement will be approved by the Policy Board at its regular meeting in August.

TENTATIVE		
DATE	RESPONSIBLITY	ACTION
June 12	Financing Subcommittee	Finalize interagency agreement for circulation
June 30	RCB	Final loan agreement to MBCP for approval
June/July	County BOS and City	Approval of Non-Revolving Credit Guaranty
	Councils	agreement/ interagency agreements
July 12	Joint Policy Board	Update/recommendations - TBD
August - TBD	MBCP Policy Board	Formal loan approval with redacted RCB
		contract; signatures and draw request forms
August - TBD	RCB	Review final signatures; process forms
August TBD	RCB	Establish checking account; credit available

B) Agency Administrative and Organizational Issues

Staff is following up on the administrative action items listed below, some of which require Board participation:

- 1) Board members are reminded to submit their form 700 and include participation on MBCP. This can be done on-line.
- 2) Staff is researching the pros and cons of establishing a PERS vs. Non PERS Agency for Operations Board consideration at a future meeting. This issue will not affect the interim CEO position which is a contract position until such time the Agency posts for and hires a permanent CEO.
- 3) Staff is currently researching appropriate insurance coverage for the Agency based on the practices of other CCAs. An update will be provided at the next operations Board meeting.
- 4) Staff is recommending that MBCP become an affiliate member of Cal-CCA the new CCA trade association established for statewide regulatory and legislative joint action. Annual dues in the affiliate category are a modest \$1,500 per year. Once operational, MBCP may consider becoming a full operating member of the association which will carry substantially higher dues based on annual revenues. For more information about Cal -CCA, please visit www.cal-cca.org.
- C) Implementation Timeline Review: At its joint meeting on May 3, the Boards reviewed a critical dates timeline that provided a summary-level view of the key milestones required to launch by April or early May 2018. The attached is a more detailed version of that timeline, presented by month and color coded by each of the functional planning areas required for Agency and program implementation. Time sensitive milestones include:

July: Interim CEO hired

July/August: Preparation and submission of MBCP Implementation Plan

August: Credit and banking services established

September: Data Mgr./Call center hired

October-Dec: Power supply contracts negotiated

October – Dec: Public marketing campaign; website redesign

January: Set rates; prepare customer notices

February/March: Send customer Notices 1 and 2

April/May: Phase 1 program launch!

June/July: Send customer notices 3 and 4; prepare for phase 2 enrollment

Fiscal Impact: None

of Santa Cruz

DATE: June 7, 2017

Recommendation

Receive report and approve Administrative Services Agreement with County of Santa Cruz.

Background

The Monterey Bay Community Powers Joint Powers Agreement authorizes the provision of administrative services by agreement with the County of Santa Cruz. The County is currently providing such services and is willing to continue doing so.

Some of the services provided include:

Preparation, staffing and clerking meetings of the Policy and Operations Board Preparing various requests for proposals of qualifications for services needed Negotiating banking services and startup capital Paying bills and other similar financial services Any other administrative services required by MBCP

As compensation for these services, MBCP agrees to pay the cost of County staff time (salaries and benefits). County employees will record hours associated with this work on their time card with a designated MBCP code. No overhead or additional charges will be added.

Payment for these services will be due after ratepayer revenues begin to be received and after the initial line of credit has been repaid. The County will invoice MBCP quarterly and payments will be due within 90 days of receipt of revenue from ratepayers.

These services will be provided until such time as MBCP secures other or permanent replacement staff.

The purpose of this memo and the attached administrative services agreement is to provide your Board with an opportunity to review and approve the agreement to allow the County of Santa Cruz to continue performing the duties described above and to be compensated for such services.
