

Rebate Incentive Chart

HEATING AND COOLING REBATE

Central Air Conditioner*

SEER 15** – Replacing Failed Equipment	\$125
SEER 15** – Replacing Operating Equipment	\$250
SEER 16** – Replacing Failed Equipment	\$200
SEER 16** – Replacing Operating Equipment	\$400

Heat Pump*

SEER 15, 8.5 HSPF** – Replacing Failed Equipment	\$150
SEER 15, 8.5 HSPF** – Replacing Operating Equipment	\$300
SEER 15, 8.5 HSPF** – Replacing Primary Electric Resistance Heat (Failed or Operating)	\$800
SEER 16, 8.5 HSPF** – Replacing Failed Equipment	\$300
SEER 16, 8.5 HSPF** – Replacing Operating Equipment	\$600
SEER 16, 8.5 HSPF** – Replacing Primary Electric Resistance Heat (Failed or Operating)	\$1,000
SEER 17, 8.6 HSPF** – Replacing Failed Equipment	\$500
SEER 17, 8.6 HSPF** – Replacing Operating Equipment	\$900
SEER 17, 8.6 HSPF** – Replacing Primary Electric Resistance Heat (Failed or Operating)	\$1,200

Heat Pump Ductless Mini-Split*

Heat Pump Ductless Mini-Split	\$300
-------------------------------	-------

Electronically Commutated Motor (ECM – Blower Fan Motor)

ECM (Blower Fan Motor)	\$150 (per ECM)
------------------------	-----------------

Heat Pump Water Heater

Heat Pump Water Heater	\$500 (per heat pump water heater)
------------------------	------------------------------------

INSULATION AND WINDOW REBATE

		Maximum Incentive
Air Sealing***	\$0.08 per sq. ft.	\$300
Ceiling Insulation, R-38***	\$0.30 per sq. ft.	\$500
Wall Insulation***	\$0.65 per sq. ft.	\$150
ENERGY STAR® Window***	\$75 per window	\$750

BONUS INCENTIVE

	Maximum Incentive
Air Sealing and ENERGY STAR Windows****	\$300
Insulation and Window Rebate Plus Replacing Failed Central Air Conditioner/Heat Pump	\$100
Insulation and Window Rebate Plus Replacing Operating Central Air Conditioner/Heat Pump	\$150
Insulation and Window Rebate Plus Replacing Failed or Operating Electric Resistance Heat	\$200

*All heating and cooling equipment is required to be Air-Conditioning, Heating and Refrigeration Institute (AHRI) Rated.
