PLEASE NOTE

Many advancements and changes have occurred at our school during the past year, and we take this opportunity to present a Report of Giving that includes donations received from **July 1, 2017 to June 30, 2018**. We thank all our graduates and friends for their commitment to Catholic education and their generosity to Father Judge High School.

"ONE'S DESTINATION IS NEVER A PLACE, BUT A NEW WAY OF SEEING THINGS." –HENRY MILLER

Dear Alumni & Friends,

I am very proud to share this Annual Report and Magazine with you because our 2017-18 fundraising results were truly record-breaking. On June 30th, we closed our most successful *Crusader Campaign Annual Appeal* with an impressive total of more than \$724,000. This result was due to the generosity of over 2,100 donors, with some making multiple donations. In addition, tax credit donations exceeded our expectations and totaled an astonishing \$629,000. And, our four major events – President's Challenge Cup, Taste of Northeast Philly, Huck-n-Duck Golf Outing and the Hall of Fame Recognition Dinner – collectively raised more than \$280,000. In all, the passionate support of alumni and friends listed in this report provided more than \$2.1 million in donations and tuition assistance this year. While these results are extraordinary and among the best of the Archdiocesan high schools, we know that we need to do more for the continued growth of Father Judge.

I took the helm of our storied institution in January 2016 and the last three and a half years have seen growth, excitement, and most importantly a renewed focus on our critical pillars of academic rigor, Christian service, and the development of Salesian Gentlemen. In order for our school to further solidify its position as the flagship for Catholic education in Northeast Philadelphia, I saw the need to develop a bold and comprehensive Strategic Plan for our future, and such an undertaking required great minds. In January 2018, I respectfully asked Don Salmon '72 and Bill Mandia '96 to co-chair the Strategic Planning Committee and to assemble a dynamic team of alumni from varied decades and with diverse skillsets and experiences. I am pleased to report that the Committee recently completed a substantial portion of the plan, including interviewing of community partners, parents, teachers and students; appraising current academic requirements and electives; conducting financial audits; and evaluating campus facilities and buildings.

Upon completion in this coming year, our Strategic Plan will be a living and breathing document whose synergy and success will depend on those willing to support the plan, coupled with the careful commitment and allocation of time and money to implement change and progress. The new Strategic Plan, once approved by the Archdiocese's Office for Catholic Education, will unveil a diverse academic focus, investments in bricks and mortar, and the addition of career and technical education (CTE) programs in the 2019-20 school year.

"The core mission of developing well-rounded, Salesian gentleman is the lynchpin of the plan. It will remain the school's guiding principle as it evolves to meet the needs of current and future students as they venture onto their life path post-graduation."

The investment of time and talent by the Committee towards the holistic goal of "educating the whole student" is first and foremost in the plan. But, we will also include experiential learning by establishing partnerships with outside organizations that offer us the opportunity to add substance, respect, and value to the "Judge Experience". These partnerships and their unique deliverables will make a Father Judge diploma all the more desirable and impressive, as our students

will gain hands-on experience and earn state required certifications and college credits in multiple fields through dual-enrollment programs and internships.

We are proud to be a Catholic and Salesian school in the Archdiocese of Philadelphia, as well as a growing neighborhood school that currently draws from nearly 70 different Catholic, public, charter and private elementary schools. Our students travel from as far north as St. Andrew in Newtown and from as far south as St. Laurentis in Fishtown. We continue to cast a wide net geographically and work to recruit students far and wide to ensure the future growth of Father Judge.

In the spirit of “educating the whole student”, we will always be an inclusive school that provides activities, clubs and athletic programs for our young Crusaders. We take great pride in our reputation as a locally and nationally recognized school for college-preparedness, and success in the workforce. Educating our students in the likeness of our patron St. Francis de Sales is at the core of everything we do, which is why we teach the values of good citizenship, community service and brotherhood. We know that our Salesian identity is what makes Father Judge unique and we want to add more value and provide an even greater product that provides the highest return on investment for our current and future Crusaders and their families. As I have stated at all parent and alumni gatherings, we will continue to stress that every student should have choices, opportunities, and a helping hand to live the spirit of St. Francis de Sales who said “Be who you are and be that well!”

We all know firsthand the good that our institution does for the young men of this region, and I hope we can continue to count on our graduates and supporters to spread the good word about Father Judge High School!

In Salesian Spirit & Crusader Pride,

Brian Patrick King '97, M.Ed.

2018 HALL OF FAME INDUCTION

THE VINCENTIAN SOCIETY: A LASTING LEGACY

The Vincentian Society, named for the religious congregation of our school's namesake, Reverend Thomas A. Judge CM, is a special society that recognizes alumni and friends who have included Father Judge in their estates with a planned gift. The Vincentian Society was established to allow members to make a lasting impact on the future of our great institution with their estate gifts.

Vincentian Society members arrange for planned gifts in a variety of ways, such as a transfer of cash, securities, or other property made through their estate plans. Planned gifts are made to Father Judge by including language in a will or living trust leaving a portion of an estate to the school or by designating Father Judge as a beneficiary of a retirement account or life insurance policy.

On May 9th, more than 350 alumni and friends gathered at the Vie Ballroom in Philadelphia to celebrate the 2018 Hall of Fame Induction and Dinner. Kevin Kilkenny '70 served as emcee for the evening which honored inductees Charles Calvanese '62 (Recognized for success in Business), Anthony Cavalier '74 (Recognized

for success in Science), Vincent Lowry '69 (Recipient of the Crusader Award), Thomas Lynch, Jr. '66 (Recipient of the Alumni Award), Bro. Michael McGrath, OSFS '74 (Recognized for his works of Salesian Art) and LTC Charles Schretzman, USA (Ret.) '84 (Recognized for his Military Service).

Remembering Father Judge with a planned gift helps sustain and strengthen our school for current and future Crusaders. Advantages of joining the Vincentian Society include:

- A bequest costs nothing now, yet provides the satisfaction of knowing an impact has been made on Father Judge for the future.
- Members retain control of and use of their assets during their lifetime.
- Members can modify a bequest if their circumstances change.
- Gifts to Father Judge from an estate are exempt from federal estate taxes.

If you would like more information on the Vincentian Society and how to leave a lasting impact on Father Judge, contact Robin Nolan, Director of the Annual Fund, at rnolan@fatherjudge.com.

HERE'S TO OUR CRUSADERS

Our Athletics Program continues to grow as 560 student-athletes participated in the 2017-18 sports season. Of the 560 student-athletes, 83 were dual-sport athletes and 20 were tri-sport athletes. This is an amazing accomplishment and speaks to the commitment and dedication of our young Crusaders. Other program highlights include 5 Individual State Qualifiers, 6 Individual Philadelphia Catholic League (PCL) Champions and 56 All-Catholic Selections.

The *Northeast Times* recognized three of our student-athletes – Catholic League Player of the Year (Basketball), Tom Quarry '18; Catholic League Wrestler of the Year, Caesar Fountain '19; and Catholic League Player of the Year (Baseball), Chuck Kelley '18. Chuck was also named the PCL Most Valuable Player. Colin Reilly '18 finished his stellar swimming career at Father Judge by being named All-American in the 100 Butterfly and 100 Freestyle by the National Interscholastic Swim Coaches Association.

In addition to the accomplishments of our individual athletes, our teams showed great improvement and achieved success. Our Rugby Team finished off a historic season with a runner-up finish at Father Judge's first-ever State Championship appearance. Upsetting Archbishop Ryan in the semi-final game, our Ice Hockey Team suffered a heartbreaking overtime loss to O'Hara in the PCL championship. Our Baseball Team had an exciting spring and post-season which ended in a semi-final game against La Salle.

For more information on our Athletic programs, contact Jake Serfass, Director of Athletics, at jserfass@fatherjudge.com or 215-338-9494 x1166.

CLASS OF 2018 GRADUATION

June 7th was a picture-perfect day with a Crusader blue sky. The 187 members of the Class of 2018, family, friends, faculty and administrators joyously gathered under an impressive tent on the track behind school. Archbishop Charles Chaput presided over our school's 62nd graduation ceremony which paid special tribute to the 50th Anniversary of the Class of 1968.

The Class of 2018 had much to celebrate. Ninety-six students received merit scholarships totaling an impressive \$17.8 million with an average award of \$157,375. More than 170 of the graduates will continue their education and received acceptances at such institutions as the University of Pennsylvania, Princeton University, Johns Hopkins University, Embry-Riddle Aeronautical University, Georgia Institute of Technology, Virginia Polytechnic Institute, Fordham University, Clemson University, University of Connecticut, University of Rhode Island, University of Delaware, Villanova University, Virginia Commonwealth University, Hofstra University, Loyola University Chicago, Drexel University, De Sales University and the Pennsylvania State University. Eleven graduates have begun a trade apprenticeship with various local unions. We are also proud to report that 13 graduates have enlisted in the armed forces. Please keep these young men, as well as all of the members of the Class of 2018, in your prayers as they start a new chapter in their lives.

PRESTIGIOUS NATIONAL MERIT SCHOLARS ARE AMONG THE CLASS OF 2018

Christopher Blank '18

Thomas Quarry '18

Two members of the Class of 2018 were recognized by the National Merit Scholarship Corporation (NMSC). Only 32 students across the Archdiocese of Philadelphia received National Merit recognition. Christopher Blank '18 was named a Semifinalist in the 2018 National Merit Scholarship Program and Thomas Quarry '18 was named a Commended Student in the 2018 National Merit Scholarship Program.

Approximately 34,000 Commended Students across the United States were recognized for their exceptional academic promise. Commended Students placed among the top 50,000 scorers of more than 1.6 million students who entered the 2018 competition by taking the 2016 Preliminary SAT/National Merit Scholarship Qualifying Test. Almost 16,000 semifinalists qualified for the 63rd annual National Merit Scholarship Program. The nationwide pool of Semifinalists represents less than one percent of U.S. high school seniors.

Christopher will be attending Drexel University and Thomas will be attending Johns Hopkins University this Fall. We wish them continued academic success!

Rev. Jack Kolodziej, OSFS celebrated with members of the Class of 2018 on the steps of Resurrection of Our Lord Church after Baccalaureate Mass on June 6th.

Members of the Class of 1968 celebrated the 50th Anniversary of their graduation by wearing blue and red academic cords and processing in with the Class of 2018.

Archbishop Chaput and President Brian Patrick King '97 shared a moment at the conclusion of the ceremony.

HUCK-N-DUCK GOLF CLASSIC

It was a sunny day at Philmont Country Club for the 39th Annual Huck-N-Duck on April 23rd. For the first time in the history of the outing, Jim “Duck” McDonald ’64 missed the event due to a “scheduling conflict” created by Mrs. McDonald when she booked a trip to Italy. We missed Duck but our spirits were lifted by surprise guest and Philadelphia Flyers legend Brian Propp. Thanks to all of our golfers and sponsors who made it a great day for Father Judge!

Brian Propp (right) was greeted at check-in by board member Mark Adelsberger '80 and our President Brian Patrick King '97.

DONOR SPOTLIGHT DAN GERNER '64

Dan celebrated at Super Bowl LII with his daughter Cindy (left) and wife Helen (right).

Daniel Francis Gerner, Jr. was born and raised on the 4500 block of Bleigh Street in St. Bernard’s Parish. Dan was the only child of his working-class parents Dan, Sr. and Anne. Dan, Sr. was the Parts Manager for a local car dealership and Anne – all 4’11” of her – was the Store Detective at Lit Brothers at Cottman and Castor Avenues.

Dan inherited his parents’ strong work ethic and during his Sophomore year at Father Judge, he lied about his age (Father Joe has since given him absolution!) to get a job as a Stock Boy at Lit Brothers with his mother’s blessing. Dan worked part-time after school and on weekends at Lit Brothers during his time at Father Judge. While becoming the highest paid Stock Boy at \$.95 an hour, Dan also assisted his mother in apprehending shoplifters whenever she announced a special code over the store loud speaker. He recalled, “she would call my number and I would come running.” Dan liked his job at Lit Brothers working alongside his mother (he still has the set of brass knuckles that she kept in her purse) but with graduation from Father Judge upon him and no interest in college, he needed to move on. When Dan told the Store Manager at Lit Brothers that he wanted to leave, he was offered \$1.05 an hour to

PRESIDENT'S CUP CHALLENGE

The 11th Annual President's Cup Challenge was held at the Union League Golf Club at Torresdale. Rain forced a cancellation of the original date but the weather was perfect when more than 100 alumni and friends teed off on November 2nd. Thanks to the generosity of our golfers and sponsors, over \$130,000 was raised which was used to purchase three new vans for school sports and activities.

stay. Dan politely declined and he said about the offer, "I knew I could do better."

The search was quick and Dan landed a job in the Payroll Department of a commercial kitchen manufacturing company. He parlayed that into additional and expanded responsibilities and joined the Purchasing Department where he figured out how to save the company thousands of dollars by making volume purchases. After six months and several changes in management, Dan decided to embark on another job hunt which led him to the pharmaceutical packaging company Packing Coordinators, Inc. (now PCI Pharma Services on Red Lion Road). A Saturday afternoon meeting with the company's President led to a job offer to become the Quality Control Manager with a salary of \$65 a week. Dan accepted the job in 1965 which would ultimately chart the course of his professional career.

After holding various positions and working his way up the corporate ladder, Dan became President of PCI in 1986 and served in that capacity until his retirement in 2000. During his tenure, the company grew from one plant in South Philadelphia to thirteen plants in three countries. He attributes the company's growth and his professional

accomplishments to hard work and commitment. "I just outworked everyone", he said. Dan credits his success to the work ethic instilled in him at Father Judge as well as his wife Helen's support as she ran their household and focused on raising their two children.

Now well in to retirement, Dan enjoys spending time with Helen and their two children and four grandchildren and cheering on the Eagles. He is committed to giving back to Father Judge because he believes in the importance of Catholic education and the morals and discipline that goes along with it. Dan provides direct support to students in the form of tuition assistance which has been very rewarding. "I get letters from the boys and their parents and when I read them tears run down my face," he commented.

Dan's financial support through the Gerner Family Scholarship Fund is making a tremendous impact on the passionate and hard-working boys of Father Judge; just the kind of boys that make Dan proud to be a Judge Guy. When asked what advice he would give other alumni about supporting Father Judge he said, "give whatever you can to help the boys become Salesian gentlemen."

RECORD YEAR FOR ONLINE GIVING

Digital media and communications has become an integral part of our fundraising strategy. While we still print and mail to our alumni and friends several times a year, some of our constituents prefer to receive information about Father Judge via social media or email. Many of those same constituents choose to donate to Father Judge using a credit card online instead of mailing a paper check.

We launched three major online appeals last year which garnered fantastic results. The goal for our "Color the Crusader" appeal on Giving Tuesday in November was \$19,540 (in honor of the founding year of our school). The one day giving totaled a staggering \$30,000. Our "Shade the Shamrock" appeal during St. Patrick's Day weekend in March surpassed our \$17,000 goal and raised \$26,000. Donors who made a gift of at least \$17 during the St. Patrick's Day appeal received an FJ shamrock magnet. Finally, when we celebrated our first-ever "Non Excidet Day" (NED) in June our goal was to raise \$26,792 (in honor of the total number of graduates). Thanks to the generosity of more than 260 donors, we

DID NOT FALTER on "Non Excidet Day" and over \$27,000 was raised. Commemorative NED t-shirts were sent to donors who made a gift of \$57 or more as a special thank you gift.

In addition to the special appeals, numerous alumni donate online to the Crusader Campaign throughout the year. Online giving to Father Judge has been steadily increasing and last year resulted in record-breaking numbers. More than 900 donors made an online gift last year which totaled \$163,000. This is an incredible 117% increase in online donors and an impressive 53% increase in online gifts as compared to 416 online donors and \$106,000 in online gifts in 2016-17.

Be on the look-out for our special online appeals in the coming months. In the meantime, remember that you can make an online donation at any time by visiting www.friendsoffatherjudge.com/crusader-campaign. If you would like more information on online giving or how to set up a recurring monthly gift, please contact Robin Nolan, Director of the Annual Fund, at rnolan@fatherjudge.com.

TAX CREDITS = SCHOLARSHIPS

Pennsylvania made history in May of 2001 by becoming the first state to pass a corporate education tax credit. More than 16 years later, the Educational Improvement Tax Credit (EITC) continues to provide companies with a 75% tax credit for donations to a non-profit scholarship or educational improvement organization. The tax credit increases to 90% if the company commits to making the same donation for two consecutive years. Individuals can also receive a tax credit based on their personal tax liability in Pennsylvania via the Scholarship Limited Liability Corporation (LLC) established by BLOCS (Business Leaders Organized for Catholic Schools).

The corporate and individual tax credits enable us to provide critical tuition assistance to our most deserving students. More than \$600,000 in tax credit donations was received in the 2017-18 fiscal year which allowed us to help countless families who desperately wanted the Father Judge experience for their son. By simply redirecting mandatory tax dollars, a business or individual can help provide a quality education for young men who otherwise would not be able to afford it.

If you want to make a tremendous impact on our students and their families, contact Robin Nolan, Director of the Annual Fund, at 215-338-9494 x1149 or rnolan@fatherjudge.com to learn more about the tax credit program.

TESTIMONIALS

"Our firm participates in the EITC program because it's a great, and cost effective, way to give back. What other program can you direct your state tax dollars to and make a lasting impact? Rather than blindly writing a check to the

Department of Revenue, participating in the EITC program allows you to help Judge guys continue to get a great education while receiving a tremendous tax benefit."

-Dennis Giorno '90, Malady & Wooten, Inc.

"Participating in the EITC program is a no-brainer. It cost 10 cents on the dollar. I support Father Judge with tax credits because I like to control how my tax dollars are spent rather than letting the state decide. The whole process is so easy, I don't understand why more guys don't do it."

-Charles Seravalli '66, Seravalli Inc.

"When discussing our options with my Partner, we determined that the EITC program would be a great fit for us. The BLOCS representative made the process easy and gave us in-depth details of the process in a clear and concise way. I would encourage everyone to participate in the tax credit program. Streamline Payroll has found it to be our most effective way in supporting Father Judge High School."

-Brian Tierney '78, Streamline Payroll, LLC

"I've always supported Father Judge's various campaigns and the tax credit program is a way to give back more efficiently and make sure my tax dollars are being directed toward things I care about like Father Judge as opposed to a politician's whim. I strongly encourage alumni to participate. It allows you to easily redirect a portion of your tax dollars to Father Judge with little cost to you."

RECORD-SETTING CONNELLY AWARDS

The future is bright for the Class of 2022! Sixteen (the largest group of boys in any Archdiocesan high school) members of our incoming freshmen class have received Josephine C. Connelly Achievement Awards. The Connelly Awards, which include a four-year tuition grant, are given to students who demonstrate the value of Catholic education and strive to achieve their fullest academic potential. Our President, Brian Patrick King '97, celebrated with 14 of our 16 Connelly Awardees in April. We are proud of these young Crusaders!

REMEMBERING THE DORCHESTER: A CRUSADER COLLABORATION

Father Judge was the only Philadelphia high school represented at the Pennsylvania Association for Education Communications and Technology (PAECT) Student Showcase in Harrisburg in April. Our students, joined by faculty members, Mr. Gutzler, Ms. Harrigan, Mr. Fiocco, and State Representative Mike Driscoll, presented their 3D model of the USS Dorchester. The USS Dorchester was the naval transport ship that sunk and became the basis for the infamous story of "The Four Chaplains". The project incorporated STEM, engineering design and 3D printing and was a collaboration of Art and Physics classes with assistance from Engineering students.

THE JAMES R. SCHEIBLEIN MEMORIAL SCHOLARSHIP

Karen Daley Scheiblein established The James R. Scheiblein '65 Memorial Scholarship and Vietnam Memorial Senior Service Scholarship in memory of her husband Jim. Mrs. Scheiblein and Brian Patrick King '97 presented the scholarship awards on February 1, 2018 during a ceremony in the Oblate Chapel.

Jim was a Vietnam Veteran and his classmates are among "Our 27". The last place Jim visited before he passed away in 2016 was the Vietnam Memorial at Father Judge. Mrs. Scheiblein established the scholarships in Jim's memory to honor his service to our country and commemorate his love for his alma mater. God bless you, Mrs. Scheiblein, for your kindness and generosity.

THANK YOU TO OUR SALESIAN BROTHERS!

We are honored to have the continued support of the Northeast Catholic Alumni Association and Norphans. During the 2017-18 school year, the Northeast Catholic Alumni Association provided \$13,500 and the Norphans provided \$5,000 in scholarships and grants to our young Crusaders. The student recipients of this generosity posed proudly in front of the North Catholic Wall of Honor. Thank you to the Northeast Catholic Alumni Association and Norphans, our Salesian brothers, for their support of Catholic education!

FROM SOLLY AVENUE TO SALESIAN LEADERS

Since our founding in 1954, the Oblates of St. Francis de Sales have been a strong and spiritual presence at our school. CRUSADER BUSINESS NETWORK: THE INAUGURAL YEAR

What was once the Judge Business Alliance (JBA) is now the Crusader Business Network (CBN). Under the leadership of Committee Co-Chairs Bill Mandia '96 and Dan Kilcoyne '00, the Crusader Business Network was launched in November. The goal of the CBN is to provide a platform for Judge guys to network professionally. Four CBN events were held during the 2017-18 school year and attendance at each was very strong. We're looking forward to more CBN events in the coming year. If you'd like more information on the CBN, feel free to contact Kevin Huckel '99, Director of Alumni Relations, or Pat Cummings '68 at percummings@hotmail.com.

Reverend Kevin Nadolski, OSFS '85 was named Vice President for Mission at DeSales University in July. As Vice President, Father Kevin will lead the efforts to ensure that the Catholic Salesian mission is advanced throughout the University, including programming that involves academics, student life, alumni and external relations, and personnel matters. Father Kevin was ordained in 1997 and his ministries have included Teacher and Principal, Bishop Ireton H.S.; Teacher and Asst. Principal, Salesianum School; Director of Vocations; Director of Formation; and Director of Communications and Development.

We are so proud of these Salesian gentlemen and we pray that they will always be who they are and be that well!

THE SALESIAN SEVEN

Our 2018 Salesian Seven – Paul Coates '18, Joseph Knuttel '18, Aaron Talabis '18, Sean-Patrick Evans '18, Bobby Gaczias '18, Chris Hunter '18 and Mike Fehrle '18 – were recognized during a school Mass celebrating the Feast Day of St. Francis de Sales in January. These young Crusaders were selected because they represent the seven Salesian virtues – respect yourself and others, recognize your talents, be patient, be gentle, be grateful, be positive and be confident. We are proud of these Salesian gentlemen who emulate the “be who you are and be that well” spirit of our patron St. Francis de Sales.

CLASS CAPTAIN PROGRAM GET INVOLVED!

Launched in 2017, the Class Captain program works to improve communication with our alumni. Our goal is simple: ensure that a representative from each class serves as an intermediary between their classmates and the school. Class Captains provide updates on school news and events, class reunions and other items of interest to their class. Alumni can also provide updates and ideas to their Class Captain which will be shared with the school. If you want to get involved at Father Judge but your time is limited, the Class Captain program is for you! For more information, contact Kevin Huckel '99, Director of Alumni Relations, at khuckel@fatherjudge.com, or one of the Captains listed here.

2017 PHILADELPHIA VETERANS PARADE

Our students were humbled to march in the 3rd Annual Philadelphia Veterans Parade. The parade, held on November 5th, honored the sacrifices of veterans in the tri-state region. Our young Crusaders proudly carried the school banner along with a banner listing the names of "Our 27".

MEET OUR NEW PRINCIPAL

Mr. Peter Chapla was appointed principal on June 4, 2018. He received his undergraduate degree from the Pennsylvania State University and a Master's Degree in Secondary Education, as well as a Superintendent Letter of Eligibility from the University of Scranton. He is an Ed.D. candidate at Immaculata University. Mr. Chapla is a Persian Gulf War veteran who served as an infantry officer in the United States Marine Corps for more than a decade. He comes to our school with over 16 years of administrative experience in the education field as a middle school and high school principal, and an assistant superintendent.

TUITION ASSISTANCE

Thanks to the Educational Improvement Tax Credit (EITC) and Opportunity Scholarship Tax Credit (OSTC) programs in Pennsylvania as well as the generosity of various alumni, individual and family donors, corporations, foundation and non-profit institutions, we are able to provide significant financial assistance to our most deserving students. Without such support as need-based tuition assistance and merit scholarships, some of our families would simply not be able to afford a Father Judge education for their sons.
