PLEASE NOTE

Many advancements and changes have occurred at our school during the past five years, and we take this opportunity to present a Report of Gifts that includes donations from July 2012 to June 2017. We thank all our graduates and friends for their commitment to Catholic education and their generosity to Father Judge HS.

On the Cover: Rev. Joseph Campellone OSFS, former President; Brian Patrick King '97, President; Charlie Huckel '66, Director of Development, and Bill St. Clair '75, Chairman of the Board, spend time revisiting past accomplishments, and looking forward to a better Father Judge.

...AND THE FUTURE IS NOW

It's 7am on June 7th, in the Oblate Faculty House, and the smell of coffee and sound of conversation can be heard down the hall coming from the Board Room. Sitting and discussing a range of topics that relate to strategic planning are an Icon, the Chairman, an Oblate, and the new hand on the rudder. Translation, it's Charlie "Huck" Huckel '66, Bill St. Clair '75, Rev. Joe Campellone, OSFS, and Brian Patrick King '97. Just thirteen hours earlier these four participated in a beautiful graduation ceremony on the back lawn. Under a massive tent with more than 2,300 proud family members, teachers, students, and the Class of 1967 celebrating their 50th Anniversary, Auxiliary Bishop Michael Fitzgerald of the Archdiocese of Philadelphia presided over the graduation ceremony and the awarding of diplomas. Yes, graduation is now held on campus, a change implemented by King to "allow the boys to finish right where they started four years earlier." The four of them are looking back, and reflecting on the importance of the day.

King, entering his eighth year at Father Judge and who took the helm in January 2016, has implemented a healthy "tennis match" of conversations in his office, where he goes back and forth, between gathering information about the history of the school from these three men, and developing a strategic plan for Judge's future. Asked about moving graduation to campus, and his desire to understand and appreciate sixty-four years of decisions that bring Judge to this moment, King quotes George Bernard Shaw, "You see things and you say 'Why?' But I dream things that never were and I say, 'Why not?'"

The four men reflect on more than just yesterday and reminisce about one of the most pivotal decisions made regarding the success of Father Judge — Charlie Huckel's volunteer effort to establish the Crusader Campaign Annual Appeal. The decision to begin an Annual Fund in 1989 has had a transformational impact on the school, raising more than \$600,000 this year, and more than \$7.5 million since its inception. These donations have always been earmarked for financial aid, academic scholarships, facility improvements, and value-added programs. Huck is a regular mentor to King, and when asked why he likes working with him, he joked with a wink "we bicker that he's from St. Matt's and I'm from St. Tim's, but we're on the same page - he wants what I want: that this school stay strong and be around forever. It's never about us, or what we did yesterday or last week, it's about thinking ahead and working hard, doing our best to assist current and future Crusaders."

"...he wants what I want: that this school stay strong and be around forever. It's never about us, or what we did yesterday or last week, it's about thinking ahead and working hard, doing our best to assist current and future Crusaders."

—Charlie Huckel '66

Asked about...his desire to understand and appreciate sixty-four years of decisions that bring Judge to this moment, King quotes George Bernard Shaw, "You see things and you say 'Why?' But I dream things that never were and I say, 'Why not?'"

When Huck speaks, King listens. With eighteen months under his belt as school president, King knows that the school needs to make some changes to better prepare the students for the future. He wants to initiate several strategic changes that will improve our course offerings, and how we educate our students. He wants to get the word out, that a family's investment in a Judge education provides a pathway to success. These plans include a Career and Technical Education Academy, an expanded Brisson Center for Academic Excellence, more attention to math and reading proficiencies and scores, and a stronger, exploratory program for co-operative work experiences in business and entrepreneurship. King knows our history, and he wants to re-emphasize our commitment to Catholic faith, respect for every student, and the values and traits of a Salesian Gentleman.

Bill St. Clair, Chairman of *The Friends of Father Judge High School, Inc.*, has been a participant in these discussions for decades. St. Clair was volunteering his time at Father Judge when the Crusader Campaign first launched. He was later selected to lead the multiple boards and various committees whose members advise the school president and he has mentored the volunteers and the administration on strategic planning. With recent direction from the Archdiocese to establish and lead a Board of Specified Jurisdiction, St. Clair works with King in all phases of planning and finance, and said, "Brian believes it's his job, and the school's job, to provide our students with every possible experience, to help grow their minds, their bodies, and their souls. He wants to guide these young and impressionable boys as they decide what to do with the gifts God has given them. The Board and I are in full agreement, and are prepared to do what is necessary to support his initiatives, for our students."

King, eager to drive the mission forward, and understanding the tall order he faces, has enlisted his former boss, mentor and friend, Rev. Joe Campellone, OSFS to offer advice on the strategic and development plans already in place. Father Joe returned after his one-year educational sabbatical, when he studied best practices at 22 high schools across the country.

"To his credit, he is not afraid to make key decisions with a continued emphasis on what's best for the school and the students. Also, he has focused on our unique identity as a SALESIAN school, founded by the Oblates of St. Francis de Sales, to serve the community and to develop a young man's faith and moral compass." —Rev. Joe Campellone, OSFS

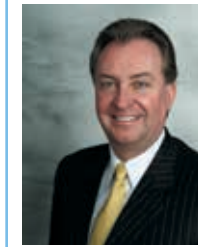

Having completed sixteen very successful years as FJ president before beginning his cross country visits, he understands the challenges of the job. When asked for his thoughts on King, Father Joe commented, "I hired Brian as Director of Advancement in 2010, and I could not be happier in what he has done to advance Father Judge. To his credit, he is not afraid to make key decisions with a continued emphasis on what's best for the school and the students. Also, he has focused on our unique identity as a SALESIAN school, founded by the Oblates of St. Francis de Sales, to serve the community and to develop a young man's faith and moral compass."

Over the next few months King will work with the new Board and the many volunteers who serve on sub-committees to finalize a comprehensive plan for the next three years. His message is to students, families, and our 25,000 graduates, "...it's a heavy lift and we need every one of us to lend a hand; we have to continue our Tradition of Success." He has embraced Lee Iacocca's famous quote, and includes it on much of the development office appeal literature. "Apply yourself. Get all the education you can, but then by God, don't just stand there, Make It Happen!"

Iacocca must have heard about our Crusaders, because that's what Judge Guys do!

King has enlisted a design consulting firm to render building illustrations of a new Father Judge. This is one of the samples.

"Brian believes it's his job, and the school's job, to provide our students with every possible experience, to help grow their minds, their bodies, and their souls... (we) are prepared to do what is necessary to support his initiatives, for our students." —Bill St. Clair '75

King works with King in all phases of planning and finance, and said, "Brian believes it's his job, and the school's job, to provide our students with every possible experience, to help grow their minds, their bodies, and their souls. He wants to guide these young and impressionable boys as they decide what to do with the gifts God has given them. The Board and I are in full agreement, and are prepared to do what is necessary to support his initiatives, for our students."

ADMINISTRATION

- Mr. Brian Patrick King '97
President
- Mr. William Schilling '76
Principal
- Mr. Michael Campellone '88
Assistant Principal for Student Affairs
- Mr. Timothy Dailey
Assistant Principal for Student Services, Dean of Students
- Rev. Jack Kolodziej, OSFS
Assistant Principal, Director of Salesian Spirituality and Mission
- Dr. Robert Lockwood
Assistant Principal for Academic Affairs
- Mrs. Kathie Gibson
Tuition Officer
- Mr. Mark Gudas '88
Director of Admissions
- Mr. Charles Huckel '66
Director of Development
- Mr. Kevin Huckel '99
Director of Alumni Relations
- Mrs. Diane Lieber-Campbell
Director, Fr. Brisson Center for Academic Excellence
- Mrs. Robin Nolan
Director of the Annual Fund
- Mrs. Michele Purcell
Director of Guidance
- Mrs. Michelle Sachs
Director of Accounting
- Mr. Jake Serfass
Director of Athletics

CAPITAL INVESTMENTS \$1.25 MILLION OVER FIVE YEARS

Since its incorporation in 2002, The Friends of Father Judge High School, Inc. (*The Friends*) has raised funds to invest in the school campus as well as support academic programs. In partnership with the President and Administration, *The Friends* conducts careful evaluations that measure the impact of possible capital investments to ensure that our students will reap as many benefits as possible. Over the last five years, the following critical and transformative initiatives were underwritten by *The Friends*, and, more importantly, made possible by the generous contributions of our graduates.

CAMPUS IMPROVEMENTS AND UPGRADES \$540,000

Deeply committed to funding projects that will provide a campus that encourages a vibrant and active student life, we have completed several significant construction and cosmetic changes in the last five years. Starting with a necessary upgrade, a new ceiling was installed on the second floor, which included the addition of energy efficient light fixtures. The auditorium was modernized with a new electrical package, lighting, and stage. A new, expanded Welcome Center was constructed at the entrance of the school, student lockers and Fox Gym locker rooms were restored, and the cafeteria received a substantial makeover. The Track and Field complex at the back of the campus underwent extensive renovations that included track resurfacing, exterior fencing, and field upgrades. The two-phase STEM initiative was completed with the opening of a state-of-the-art STEM Lab and complementary Fabrication Lab, equipped with nine workstations. The labs are loaded with tools such as DeWalt cordless lithium-ion drills, saws and impact drivers.

TECHNOLOGY ENHANCEMENTS \$500,000

After four years, the school's One-to-One Technology Plan is complete. It included the implementation of a new fiber network and execution of a purchase/lease agreement for Chrome Books and/or iPads, and now, every student brings a laptop device to class. In addition to the devices, a substantial investment was made to modernize the school's infrastructure to include direct high-speed fiber from the local MCIU, as well as software packages for monitoring online activity, training for faculty/staff, educational programming and malware support. AppleTVs and Chromecast devices were added to each classroom so that information can be displayed for interactive and collaborative learning.

STUDENT SOCIAL SERVICES \$210,000

Understanding that today's socio-economic climate has changed, it is imperative to assist current and future students and address the challenges they face in their personal lives. Over the last three years we made a significant investment in supporting our students beyond the classroom. A dedicated, full-time Catholic Social Services professional was hired to provide social services work, educational support, and community outreach. In partnership with the Maguire Foundation, *The Friends* contributed to the procurement of services from the Caron Foundation, which provides behavioral health and addiction rehabilitation. ACE Scholars from the The Alliance for Catholic Education at Saint Joseph's University (ACESJU) were funded. These scholars participate in an innovative two-year service program that provides recent college graduates the opportunity to serve as full-time teachers and administrators in under-resourced local Catholic schools, while pursuing a Master's degree.

DONOR SPOTLIGHT VINCE LOWRY '69

Vincent Thomas Lowry grew up in St. Timothy's Parish on Erdrick Street with his parents and five siblings – two brothers and three sisters. The Lowrys firmly believed in Catholic education and, if not for an almost year-long layoff of Vince's father which forced one brother to attend Lincoln HS, every Lowry in the tiny rowhouse on Erdrick Street would have attended a Catholic high school. Vince's mother went to J.W. Hallahan HS, his father went to Northeast Catholic HS, his three sisters graduated from St. Hubert HS and he and one brother graduated from Father Judge. This family legacy and strong connection to

Catholic values laid the foundation for Vince's life.

Life at Father Judge got off to a rough start for Vince and he amassed an astonishing 76 days of JUG in his freshman year. He explained, "my mouth got me in to a lot of trouble". Thanks to the patience and diligence of the Oblates, and Vince slowly learning to keep his mouth shut, things settled down and his next three years on Solly Avenue went smoothly. Vince kept busy with his favorite subject, History, taught by Mr. Bob McLernan, hanging out with friends like his buddies on the football team, Billy McManus '69 and Billy Foley '69, and taking two buses to his part-time job at Sears & Roebuck on Roosevelt Boulevard every day after school.

After graduating from Father Judge in 1969, Vince joined the Philadelphia Police Department (PPD) in 1972. During his 12 year career with the PPD, he was promoted to sergeant, tasked with training cadets in the new "use of deadly force" policy, married his wife, Karen, started a family and went to school at night at St. Joseph's University where he received a Bachelor's degree in 1979 and a Master's degree in Accounting in 1982. In 1984 he left police work when he answered a newspaper ad for

"security sales" at Shearson American Express. "I had no idea what security sales was but I knew I could figure it out", Vince said. Turns out, it meant "stock broker" and he was hired on the spot. Vince built a massive client base over the next 20 years and when he left what had become Citigroup Salomon Smith Barney in 2004, he held the biggest book of business on the east coast. He took that business with him when he founded VTL Associates which managed \$1.7 billion in investments when he sold the firm to Oppenheimer Funds in 2015.

Professional success aside, Vince still appreciates the Catholic values that guided him through Father Judge and complemented the great education he received. "We were directed to learn and expected to be respectful in the classroom," Vince explained. Mindful of the importance of providing a faith-based foundation to students today, Vince and Karen made a \$100,000 gift to Father Judge in December 2016 and they have committed their continued financial support in personal donations as well as participation in the EITC program. Explaining why he and his wife support Father Judge, Vince commented "They took a guy like me and gave me a good strong base. Every kid deserves that."

MEET OUR NEW PRINCIPAL

Mr. William Schilling '76 assumed the post of Principal on July 1. Bill comes to Judge with a wealth of experience as a school administrator, having served in Principal positions at MaST Charter School, Parkview Elementary School in Westville, NJ, and for the last twelve years at New Foundations Charter School. He holds a Bachelor of Arts degree from Holy Family University, and two graduate degrees, one from HFU in Education and one from Arcadia University in Educational Administration.

THE VINCENTIAN SOCIETY

Donor Spotlight

On the surface, **Ken Rudzinski '65** was a typical high school student. The third of four children born to blue-collar parents, Ken grew up in Oxford Circle and attended St. Martin of Tours Grammar School. However, his time at Father Judge was anything but typical. Ken was the poster boy of student-athletes. He was elected Senior Class President and excelled in the classroom, graduating #6 in his class of 875, and selected as Salutatorian at graduation. On the baseball diamond, he played four years on the varsity team and compiled an impressive overall pitching record of 31-4. Ken's outstanding athletic skills were acknowledged by the PCL when he was named All-Catholic for three years. In 1964 he was the winning pitcher and MVP of Father Judge's first City Championship team. Ken went on to attend Villanova University on a full athletic scholarship for baseball.

After graduating from Villanova Ken worked briefly as a teacher and then pursued a career in the financial services industry. He started his own financial

"I want the next generation to have the same great experiences that I had, and if the money I leave behind helps Father Judge to provide a great education for these kids, then I'm first in line to do that." – Ken Rudzinski '65

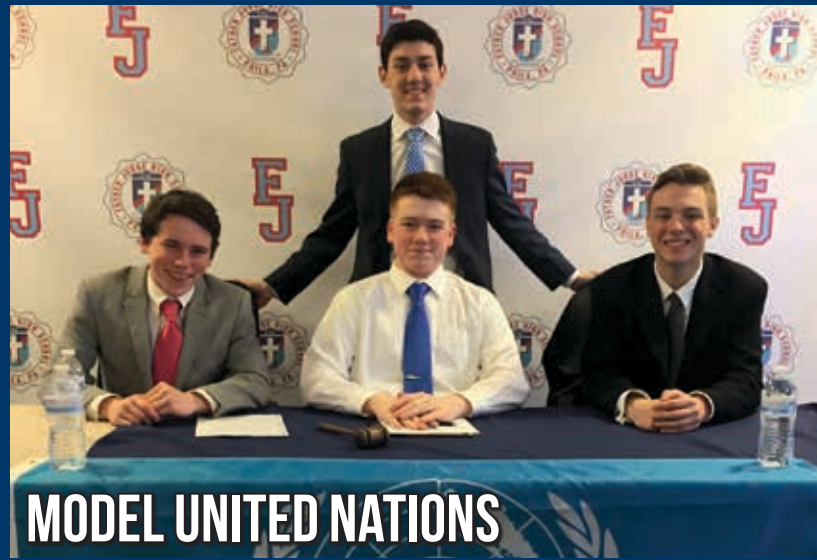

planning practice in 1988 and ever since has helped clients with their investments, insurances, estates and retirements. Ken is a published author and has received numerous accolades from financial publications for his writings and advice. He credits his writing skills to the training and attention of his teachers at Judge.

Ken was already a loyal donor to the Crusader Campaign Annual Appeal when in 2015 he decided to join the **Father Judge Vincentian Society** and leave a gift to the school in his estate. Reflecting on his positive experiences at Judge, Ken said "Father Judge gave me things that I took with me in my life." Ken would like to see future students have the same benefits, and he shared, "I want the next generation to have the same great experiences that I had, and if the money I leave behind helps Father Judge to provide a great education for these kids, then I'm first in line to do that." Ken encourages others to follow his lead, adding, "I suggest that my fellow Crusaders review their estate plans, to see if there are assets available to benefit the school."

The Vincentian Society is named in honor of Rev. Thomas A. Judge C.M., a Vincentian priest ordained in St. Vincent De Paul's Congregation of the Mission. Father Judge founded the Missionary Servants of the Most Blessed Trinity, whose provincial house is adjacent to the school. They donated the land on which our school was built. FJHS has established this giving society to recognize graduates who look to the future and name the school as a beneficiary of their estates. Contact Ken at kenr@comcast.net, for how he established his planned gift to FJHS.

1964 All-Catholic Ken Rudzinski accepts his "MVP of the Catholic League Championship" award from a PCL official on the right as Coach Bob Ryan looks on.

MODEL UNITED NATIONS

GLOBAL CRUSADER CITIZENS

Under the of guidance of Fr. John Hurley, OSFS, team mentor Doug Sencini '96 and moderator Jeff Hylan '95, our Model United Nations (MUN) team has had great success over the last 25 years. But after more than two decades, our team's future became uncertain after the August 2016 passing of our longtime advisor Father Hurley. Direction and commitment prevailed in the form of a strong leadership group - Connor McQuillin '17, Jim Zaccario '17, Matt Leahy '17 and Ryan Elitz '17 - who successfully guided us through another season. This achievement is a true testament to Father Hurley's legacy at Father Judge.

With the memory of Fr. Hurley surely in mind, our MUN won a First Place team trophy (for the 14th year in a row) at the 25th Annual Model United Nations Conference hosted by De Sales University in March. We also earned multiple honorable mention awards, outstanding awards and First Place gavels at Georgetown University, Temple University, LaSalle College High School, Methacton High School, Salesianum High School and various other competitions throughout the 2016-2017 school year. Finally, we hosted and won the 54th Annual Oblate Model United Nations on April 8, 2017.

For information on how to support our MUN, contact Jeff Hylan '95 at jhylan@fatherjudge.com.

CRUSADERS INVADE WILDWOOD

After a six year hiatus from the Jersey shore, the Crusaders invaded North Wildwood on July 22, 2017 for an all-class reunion at Keenan's. About 600 alumni and friends braved the sweltering heat to meet up with former classmates and old friends while enjoying some cold beverages and great music. Be sure to keep an eye out for information about the next all-class reunion.

ATHLETICS

Marc Rodriguez '17 became the first student-athlete in school history to score 1,000 points.

The 2017 Wrestling team became both PCL and District 12 Champions.

Left: Crew members and coach Phil Roche '69 pick up their King's Cup trophy at the Stotesbury Cup Regatta.

In addition to the traditional service at the "Our 27" memorial on Solly Avenue, Mike Dufner '70 hosted the 10th Annual Father Judge Memorial Day service at his home in Ocean City, NJ. Both events honor all our

service men and women who made the ultimate sacrifice while serving our country while paying a special tribute to those 27 brave men from Father Judge who lost their lives while serving our country during the Vietnam War.

MEMORIAL DAY 2017

HERE'S TO OUR CRUSADERS

The 2016-17 athletics season was filled with many milestones. The most exciting sports moment occurred during a basketball game against Archbishop Wood on January 3, 2017 when Marc Rodriguez '17 became the first student-athlete in school history to score 1,000 points. Other highlights include 83 All-Catholic awards (18 fall sports, 34 winter sports and 31 spring sports), Five Northeast Times Players of the Year and Philadelphia Catholic League (PCL)

Basketball Co-Coach of the Year (Sean Tait '95). Also, the Wrestling and Crew Teams had notably successful seasons as Wrestling became both PCL and District 12 Champions and Crew's Varsity 4+ won the Scholastic Rowing Association of America National Championship.

For more information on our Athletics programs, contact Jake Serfass, Director of Athletics, at 215-338-9494 x1166 or athletics@fatherjudge.com.

ROBOTICS: FROM MISFITS TO CHAMPIONS

Our Robotics program, designed to prepare students for careers as designers, engineers and computer programmers, competes in an organization called FIRST which stands for "For Inspiration and Recognition of Science and Technology". FIRST utilizes a sports platform to encourage young people to design and build a robot that will compete in a new game each year. Over the past eight years, our school team – The Mechanical Misfits - have built robots that have "played" such sports as soccer, basketball, Frisbee, and attack the castle.

One of the highlights of the 2017 season was the STEAM-WORKS competition which required the robot to deliver gears to a "steamship" and climb a rope to score points. The Mechanical Misfits built a robot that successfully climbed the rope in all of its matches. This performance was not overlooked by some of the traditional powerhouse teams and The Mechanical Misfits were asked to join a playoff alliance. This alliance invitation was a monumental accomplishment as the team had never, in the history of the program at Father Judge, moved on to a play-

off. As if participating in the playoff alliance wasn't exciting enough, The Mechanical Misfits, along with alliance members Miracle Workers from DuPont and Peddie School Robots went on to win the entire tournament at Seneca High School in Tabernacle New Jersey in March.

The success of our Robotics program is a testament to the passion and commitment of our students as well as the guidance of our mentor engineers Robert Jones '78, Senior Systems Analyst at Lockheed Martin, Ryan Young '12, Software Engineer Major at Drexel University and Kerry Loux, Mechanical Engineer at Environmental Tectonics Corporation. If you would like to support our Robotics program by donating funds, tools or equipment or by serving as a volunteer or mentor, please contact Mr. Mike Fiocco at mfiocco@fatherjudge.com.

EDUCATIONAL IMPROVEMENT TAX CREDIT

Pennsylvania made history in May of 2001 by becoming the first state to pass a corporate education tax credit. More than 16 years later, the Educational Improvement Tax Credit (EITC) continues to provide companies with a 75% tax credit for donations to a non-profit scholarship or educational improvement organization. The tax credit increases to 90% if the company commits to making the same donations for two consecutive years. Individuals can also receive a tax credit based on their personal tax liability in Pennsylvania via the Scholarship Limited Liability Corporation (LLC) established by BLOCS (Business Leaders Organized for Catholic Schools).

The corporate and individual tax credits enable us to provide critical tuition assistance to our most deserving students. More than \$400,000 in EITC donations was received in the 2016-17 fiscal year which allowed us to help countless families who desperately wanted the Father Judge experience for their son. By simply redirecting mandatory tax dollars, a business or individual can help provide a quality education for young men who otherwise would not be able to afford it.

If you want to make a tremendous impact on our students and their families, contact Robin Nolan, Director of the Annual Fund, at 215-338-9494 x1149 or rnolan@fatherjudge.com to learn more about the EITC program.

GET INVOLVED! CLASS CAPTAIN PROGRAM

In January 2017 we launched the Class Captain program to improve communication with our alumni. Our goal is to ensure that a representative from each class serves as an intermediary between classmates and the school. Class Captains provide updates on school news and events, class reunions and other items. Alumni can provide updates and ideas to their Class Captain which will be shared with the school.

Being a Class Captain is easy. Most captains simply share information and keep in touch with their classmates via email and social media. All news and updates are provided by the Development Office to Class Captains for effortless distribution. Captains are invited to attend quarterly dinner meetings to exchange ideas and receive school updates.

A list of Class Captains is below. Over half of our graduating classes have Captains but we're still in need of many volunteers. If you want to get involved at Father Judge but your time is limited, the Class Captain program is for you! For more information, contact Pat Cummings '68 at pwcummings@hotmail.com or Kevin Huckel '99, Director of Alumni Relations, at khuckel@fatherjudge.com.

The Finishing Trades Institute

EDUCATING OUR BLUE COLLAR SCHOLARS

In partnership with the Finishing Trades Institute (FTI) (the education division of the International Union of Painters and Allied Trades and the Finishing Contractors Association) our students have an opportunity to participate in the Vocational Intern Partnership (VIP) program. As part of the program, students learn skills in commercial and industrial painting, glazing (glass), floor covering installation, drywall finishing and sign and display. Space in the VIP program is limited and only 60 spots are available each year. With more than 15 students currently participating in the program, Father Judge is the only

Catholic high school in partnership with the FTI.

The two year (180 hour) VIP program affords students construction industry-wide recognized certifications in OSHA 10, Scaffold Erector Dismantler and First Aid/CPR. Students attend the FTI weekly on specified days during the school year for 14 weeks during their junior and senior years. Upon completion of the VIP program, students receive a certificate that will serve as "recognized" experience when applying to the Apprenticeship programs of the FTI as well as nine transferable college credits.

The First Graduating Class CELEBRATES THE FIRST-EVER

60TH REUNION

On May 20, 2017, more than 50 members (plus 30 spouses and guests) gathered in the Fox Gym to commemorate their 60th Reunion. The event included live musical entertainment, a catered lunch, and tours of the school. Classmates came from as far as Florida, Texas, Virginia, New York, New Mexico, Arizona, Georgia, Michigan, Montana and even Taiwan!

Thanks to the diligent planning and good work of Reunion Committee Chair, Joe Simon, as well as committee members Bill MacIntyre, Don Heim, Jim Rahill, and Jerry Smith, the event was a great success and a good time was had by all.

If you're interested in helping to plan your class reunion, contact Kevin Huckel '99, Director of Alumni Relations, at 215-338-9494 x1127 or khuckel@fatherjudge.com.

If You Build It, They Will Come OFFICE OF ADMISSIONS SURPASSES GOALS

A school that is not constantly changing is a school that is not improving. Complacency is not an option at Father Judge and that's why our work is never done. Staying true to our mission in an ever-changing world requires new approaches and a tireless commitment to providing access to a 21st century learning environment. Our campus continues to expand and evolve as we constantly strive to improve our educational product and ensure that our students get the "Judge Experience."

A recent example of our commitment to enhancing our campus is the state-of-the-art Admissions Welcome Center. Based on the model used by colleges and universities, the Welcome Center is the epicenter for visiting students and families. A lounge area provides a place to gather, ask questions and have a snack. Also, technology such as iPads and Apple TVs allows the Admissions Team to personalize welcome messages for students as well as assist families in the registration process.

With the Welcome Center as their new hub, the Admissions Team worked diligently to surpass all recruiting goals and more than 220 members of the Class of 2021 will join us in September. The new class is diverse and includes students from 31 different Catholic grade schools, 14 different public schools and 10 different charter schools. As our reach to various elementary schools increases, so does our geographic footprint. In addition to the traditional neighborhoods of Philadelphia, members of the Class of 2021 come from Bucks and Montgomery Counties. With our continued expansion into the suburbs and our position as an anchor in Northeast Philadelphia, we are truly the premier all-boys high school in the Archdiocese.

If you would like more information about the admissions and recruiting process, please contact Mark Gudas '88, Director of Admissions, at 215-338-9494 x1132 or mgudas@fatherjudge.com.

DREXEL UNIVERSITY SPONSORS "IDEA PITCH"

CRUSADERS AND DRAGONS COMBINE FOR "SHARK TANK" COMPETITION

In partnership with the Charles D. Close School of Entrepreneurship at Drexel University, the first-ever pitch idea competition was held at Father Judge in April. Business Computer and Information Technology students were charged with developing an idea for a new product that addressed a particular problem. Students then got an opportunity to pitch

their idea to a panel of expert judges from Drexel and Father Judge Board Members.

The First place winner was Jacob Gonsiewski '18. Jacob's idea was to develop a push-up bottle which would dispense one pill at a time for use by the usual unsteady hands of elderly people.

ALL-CLASS CREW REUNION

Celebrating 55 Years

In the Fall of 2016, Tom Kealey '69 and Pete Spera '67 posed the idea to assemble as many Crew Team members as possible to celebrate the team's 55 year history. On May 6, 2017, this idea became a reality when more than 150 Crew alumni and guests gathered to celebrate the team's long and successful history.

While the event was successful and went off with ease, the planning was long and laborious. With the support of the Development Office, Tom and Pete were given access to the year book archives and alumni database. They took on the herculean task of copying every Crew Team photo from 1962 through 2016, noting each name in every photo, and worked to recall and find names of missing teammates. Tom and Pete also subscribed to *The Philadelphia Inquirer* newspaper archives and searched for Father Judge Crew race result articles. This search provided a historical scrapbook of the team's successes as well as additional alumni names. The various sources - the alumni database, internet searches, and *The Philadelphia Inquirer* archives - resulted in a whopping 553 mailing addresses and 304 email addresses.

In addition to the time and effort spent on creating a crew alumni list and compiling race results, several other special projects were done in conjunction with the event. A poster was designed and published which honored deceased team members and Coach Tom Rafferty. A video was produced which chronicled the team's illustrious history. The more than 400 photos from yearbooks and personal pictures provided by various alumni were organized. Finally, six "decade scrapbooks" were produced which included all of the newspaper articles found in the archives.

All of the effort and planning paid off as the event was a unique celebration of the success and long history of the crew program at Father Judge. Kudos to Tom and Pete for their tireless work and commitment to making the reunion so memorable!

TUITION ASSISTANCE

Thanks to the Educational Improvement Tax Credit (EITC) and Opportunity Scholarship Tax Credit (OSTC) programs in Pennsylvania as well as the generosity of various alumni, individual and family donors, corporations, foundation and non-profit institutions, we are able to provide significant financial assistance to our most deserving students. Without such support as need-based tuition assistance and merit scholarships, some of our families would simply not be able to afford a Father Judge education for their sons.

2016-2017 EVENTS

PRESIDENT'S CHALLENGE CUP October 10, 2016

\$130,527

The 10th Annual President's Cup was held at the newly renovated Union League Golf Club at Torresdale. More than 100 alumni, corporate leaders, business owners, politicians, and union officials gathered for lunch, golf and dinner. All proceeds from the event helped to build a new state-of-art Welcome Center where our Admissions Team greets, assists and serves new students and families.

A TASTE OF NORTHEAST PHILLY October 22, 2016

\$25,260

The 14th Annual Taste of Northeast Philly hosted more than 800 alumni, friends, parents and neighbors enjoyed a night of entertainment and, most importantly, a "taste" of great food provided by local bars, restaurants, pubs, caterers, delis and bakeries. As usual, it was a great night for networking, socializing and supporting Father Judge High School.

HUCK-N-DUCK GOLF CLASSIC April 24, 2017

\$41,475

The 38th Annual Huck-N-Duck was held at Philmont Country Club where more than 100 alumni and friends gathered for the annual golf classic named in honor of Charlie "Huck" Huckel '66 and Jim "Duck"

McDonald '64. The highlight of this year's outing was when Joe Tomes '84 hit a hole in one on the 8th on the North Course!
